

Compass Lexecon Expands Antitrust Expertise With Addition of Two Affiliates

May 19, 2026 at 7:30 AM EDT

WASHINGTON, May 19, 2026 (GLOBE NEWSWIRE) -- Compass Lexecon, a subsidiary of FTI Consulting, Inc. (NYSE: FCN), today announced that [Anja Lambrecht](#), a Professor of Marketing at London Business School, and [Matthew Notowidigdo](#), the David McDaniel Keller Professor of Economics at the University of Chicago Booth School of Business, have affiliated with the firm.

Professor Lambrecht is an expert in digital economy and marketing and uses field experiments and econometric methods to research issues related to digital platforms, including online advertising and targeting, pricing and promotions, algorithmic biases and decision processes of consumers. Her experience includes researching the impact of AI on the digital economy and consumers' online behavior. Professor Lambrecht has served as an expert witness for major technology companies including Amazon and Meta, and was an independent Digital Expert for the UK's Competition and Markets Authority.

Professor Lambrecht's work has been published in leading academic journals, including the *Journal of Marketing Research*, *Marketing Science* and *Management Science*. She is an Associate Editor at *Journal of Marketing Research* and *Management Science*. Prior to her academic career, Professor Lambrecht worked as a consultant at McKinsey & Company in Frankfurt.

Professor Notowidigdo is an expert in labor and health economics. He has studied the causes and consequences of long-term unemployment and the effects of immigrant visas on firms and workers. In health economics, he has studied the effects of public health insurance expansions on hospital finances and the effects of hospitalizations on consumer finances and labor market outcomes. Previously, Professor Notowidigdo was an associate at Lehman Brothers in the Fixed Income Division and has advised several professional sports teams on ticket pricing.

Professor Notowidigdo is a Research Associate at the National Bureau of Economic Research, a member of the Board of Editors at the *American Economic Journal - Economic Policy*, and an Associate Editor at *The Quarterly Journal of Economics*. He is also a Scientific Director at J-PAL North America and a Co-Director of the Tolman Center for Healthcare.

"Our clients are navigating an increasingly complex regulatory and competition landscape and turn to us for clear, persuasive analysis tailored to their specific needs," said [Daniel R. Fischel](#), President and Chairman of Compass Lexecon. "We are thrilled that Anja and Matthew have joined our leading roster of affiliates. Their expertise in digital markets, labor and health economics strengthens the firm's ability to provide our clients with the highest level of support."
