Explanation of Responses:

1. On May 7, 2024, the reporting person reported on Form 4 the withholding of shares of common stock for taxes related to a transaction that took place on April 30, 2024. The reporting person has been alerted by his broker that the applicable tax withholding was in cash and not through the withholding of shares of common stock. By filing this Form 4/A, the reporting person is correcting the number of shares beneficially owned in Column 5 to include the shares of common stock previously inadvertently reported as withheld for taxes.
